5. Time to search - 3 minutes (not 5)
6. If you accidentally move your ball when searching for it, replace it without penalty
7. No penalty for a double hit - it only counts as one stroke
8. No penalty if your ball hits you or your equipment accidentally after a stroke
9. No penalty if your ball strikes the flagstick when you have chosen to leave it in the hole

12. Ball moved, lifted and replaced on putting green if moved by wind to another position - replace ball on the original spot
13. Penalty areas replace water hazards, and you can move loose impediments, ground your club and take practice swings in penalty areas, just as you can on the fairway or in the rough
14. You can't take relief from a penalty area unless you are at least 95% certain your ball is in the penalty area
15. In bunkers, you can move loose impediments
16. In bunkers you cannot touch the sand with your club in the area right in front of or right behind your ball, during your backswing or in taking practice swings.
17. Free relief is allowed if your ball is embedded on the fairway or in the rough (but embedded means that part of your ball is below the level of the ground)
18. Unplayable ball in the bunker - extra option to drop outside the bunker for a 2 penalty strokes
19. You cannot have your caddie or your partner standing behind you once you begin taking your stance
20. Pace of play - it is recommended that you take no longer than 40 seconds to make a stroke (and usually you should be able to play more quickly than that) and Ready Golf is stroke play is encouraged
